NEW UNIT

6224 AUSTRALIAN HISTORY

CONTENT: This unit covers a range of topics and themes in Australian history. What does it mean to be Australian? How do we define the Australian character?

The first Australians: the original inhabitants and their connection with the land. The arrival of Europeans and their impact on the indigenous people.

Australia in the 19th and 20th centuries. You will do a brief study of the major issues and events during these years.

Australia in the 21st century. What are the major challenges facing Australia and the world?

Al Qaeda and global terrorism. Australia's involvement in Iraq and Afghanistan: what is the nature of the conflict? Why is Australia involved? Where might this end?

Note: topics covered in Lawmakers, Lawbreakers and in Australians at War are not repeated in this unit.

NEW UNIT

4335 JUMP INTO GENERAL

ASSUMED: A satisfactory standard in either quadratics or access Maths

CONTENT This unit is designed for students looking to complete General Maths in Year 11. The topics covered are solving equations, financial mathematics, statistics and trigonometry.
